

## TWENTY NINE HORSES PERISHED IN FIRE

### MEET DEATH WHEN LIVERY BARN BURNED 8 O'CLOCK LAST NIGHT

**Barn Was Mass of Flames when Discovered—Wagons, Harness, Hay and Grain Destroyed—Andrews Lumber Yard Annex and Old McConnell Residence Damaged**

Twenty-nine horses were burned to death in a fire which destroyed the George Hale livery barn in North Main street at 8 o'clock Monday night. The annex of the F. J. Andrews Lumber company on the south and the old Murray McConnell residence on the north also were damaged, but were saved by the good work of the department.

In addition to the loss of the building and horses, a large quantity of hay and grain, harness and vehicles was destroyed.

The fire was discovered about the same time by City Fireman Carl Litter and Mrs. David White, who lives on North Sandy street, in the rear of the barn. When first seen the whole roof was in flames, the blaze apparently starting in the loft in which a large amount of hay was stored. A quick run was made and Assistant Chief John Taylor quickly had several streams of hose playing but the structure burned like tinder. By the time anyone reached the barn the whole structure was a complete mass of flames, the heat being so intense that only one horse belonging to the American Railway Express company could be rescued.

### M'CORMICK PANS SMALL-THOMPSON FACTION MONDAY

**State and City Should  
Give Economical  
Government**

(By the Associated Press)  
CHICAGO, Sept. 3.—Senator Medill McCormick launched an attack on the expenditures during the administration of Leonard Small as governor of Illinois and William H. Thompson as mayor of Chicago in claiming credit for the Republican party for the national prosperity when he spoke before the North Side Republican club at Riverview Park today.

The state and city governments should give the voters the same service towards economic recovery he claimed for the National Republican organization. "A little more than two years ago industry and agriculture had been prostrated by the indiscriminate sudden deflation brought about by a Democratic secretary of the treasury," he said. "Bankruptcy threatened tens of thousands of farmers and hundreds of banks which served them; factories were silent, stores, empty and there were five million men idle in the country. Today the farm bureau has witnessed the progressive increase in the value of the farmer's crops; the bank statements prove the liquidation of his debts, trade is active, industry is revived, five million men have been employed, there are no idle workmen in America today. I do not assert that all the legislation written by congress has been without fault or that the administration has been infallible or that it has made no mistakes of commission or omission. But I do hold that executive and congress in meeting the credit crises and in reducing federal expenditure and taxation by half made an immense advance to the recovery of the country."

**NO BUILDING  
IN YOKOHAMA**  
(By the Associated Press)  
NAGASAKI, Sept. 3.—There is no building in sight in Yokohama; only ruined walls are visible, according to the captain of the Shinyo Maru, which has just arrived here from Yokohama. Thousands of refugees gathered in a park here half drowned by a flood caused by the bursting of the city water pipes.

**ITALIAN AND FRENCH  
EMBASSIES DESTROYED**  
Osaka, Sept. 3.—(By the Associated Press)—The Italian and French embassies in Tokyo were destroyed by the earthquake; this information is given in a late wireless message from that city.

### WEATHER

Illinois—Generally fair Tuesday and Wednesday; warmer on Tuesday.

#### Temperatures.

	The current, maximum and minimum temperatures as recorded Monday were:
Jacksonville, Ill.	73 85 67
Boston	74 82 68
Buffalo	68 79 60
Jacksonville, Fla.	78 90 78
New Orleans	80 90 76
Chicago	72 74 69
Detroit	74 84 68
Omaha	80 86 68
Minneapolis	78 82 62
Helena	80 86 58
San Francisco	69 74 52
Winnipeg	80 86 44
Cincinnati	72 80 72

### CHICAGO WILL BE CONVENTION CITY IN 1924 UPHAM SAYS

**Unless Coolidge Asks  
it to be Held Some  
Place Else**

(By the Associated Press)  
NEW YORK, Sept. 3.—Frederick W. Upham, treasurer of the National Republican committee, returning today on the Leviathan from a trip abroad said there was no question but that Chicago would be the scene of the 1924 Republican convention. A majority of the members of the committee had expressed themselves in favor of Chicago, he said.

San Francisco, which Mr. Upham said had a "powerful bid" for the convention "wouldn't have a chance," he declared, "unless President Coolidge expressed a desire to have the session held elsewhere than at Chicago." "Thus far President Coolidge has given no indication he will express such a desire," Mr. Upham continued. "President Harding had suggested that the next convention be held in another city than Chicago out of fairness to other sections of the country. But we believe Chicago is the geographically logical place for it and we are convinced that it alone can properly accommodate a convention of such vast proportions."

He predicted that President Coolidge would be nominated in 1924 to succeed himself "if he has a chance in the meantime to demonstrate his ability and if he chooses to be a candidate."

After Mr. Upham believed the most formidable candidates would be Senator Robert M. La Follette of Wisconsin, "Who will come into the convention with Wisconsin, Minnesota, Michigan, the Dakotas and part of Iowa solidly for him," Senator Hiram Johnson of California, who also has a strong following and ex-Governor Frank O. Lowden of Illinois, who occupies continuously the position of "dark horse" to the G. O. P. "But President Coolidge if he seeks the nomination will be in the position of pole horse because he will go into the convention as the reigning head of his party," Mr. Upham continued. "As for the Democratic nomination, I have it from responsible members of the Democratic national committee that Samuel L. Ralston of Indiana already has been picked to run."

### WALKER ATTACKS SUPREME COURT IN LABOR SPEECH

**Says it is Packed With Men  
Who Favor the  
Exploiter**

(By the Associated Press)  
PEORIA, Ill., Sept. 3.—John H. Walker, president of the Illinois Federation of Labor, speaking at a Labor Day celebration here today urged the union of labor with the farmer and suggested that members of the supreme court of the United States be selected by popular vote.

He charged that the supreme court of the United States is "packed with men whose mental attitude favors the will of the exploiter." Congressman Henry R. Rathbone another speaker, said there should be no conflict between capital and labor if both are reasonable and fair towards one another.

### STEAMER SAFE WITH REFUGEES

(By the Associated Press)  
SAN FRANCISCO, Cal., Sept. 3.—The Toyo Kisen Kaisha Steamer Korea Maru is safe in the harbor of Yokohama with 500 refugees on board, according to a cablegram received at the company's offices here today from its agents in Kobe. Communications of all kinds have been opened up to Numanu, 85 miles west of Tokyo, the cablegram said.

#### BUT 40,000 ARE LEFT IN YOKOHAMA

Pekin, Sept. 3.—(By The Associated Press).—Three are about 40,000 persons left in the city of Yokohama all the rest being dead or having fled to places of greater safety according to a landing party from the Steamer Korea Maru, whose report on condition was received here today. Yokohama's population as given by the last enumeration was approximately 423,000.

### First News Out Tokio This Morning

BULLETIN

TOKIO, Sept. 3.—(By The Associated Press)—Tokio and Yokohama are virtually destroyed as the result of an earthquake and fire which occurred last Saturday.

The casualties in both cities will run into the thousands. At present no estimate is possible. The property damage will approximate hundreds of millions at least.

### Twenty Killed By Italian Bombardment

(By the Associated Press)

ATHENS, Sept. 3.—Colonel Stephen E. Lowe of St. Louis, member of the Red Cross and attached to the Near East Relief at Corfu, reports that altogether there were twenty victims of the Italian bombardment prior to the occupation of the island. Among them were 16 children most of them killed by shrapnel which was fired among a crowd of Red Cross orphanage children in the sea.

The first direct news from Corfu since the Italian occupation was received today with the arrival of the Greek Steamship Ismini which had aboard Colonel Lowe, Miss Emma Wood of Baltimore, chief nurse of the Corfu near East Relief Hospital, Dr. Kennedy of Kingston, Ont., director of the British Save-Children Fund together with a group of expelled Greek officials and sixty Greek soldiers.

Colonel Lowe describing the bombardment said: "There were twenty killed instantly and 32 are in hospitals, and several slightly wounded. "Of the twenty dead, sixteen were children. All the killed and wounded were refugees or orphans from American and British orphanages housed in the old fortress. The large number of children among the casualties

were due to the fact that several shells landed in barracks which were being used as orphanages, while shrapnel shells exploded in the water in front of the fortress where four hundred Near East orphan boys were bathing at the time."

According to Colonel Lowe's account the Italian gunnery was bad. Many shots at the so-called old fort landed in the sea 100 feet below, scattering shell fragments among the bathing children. The bombardment of the other fort on a high bluff one hundred feet among the British gendarme school was carried out by a stationary warship only 300 yards away but twice of the thirteen shots hit the school.

When the firing ceased Italian soldiers took possession of all the government offices. One of the first Italian officers ashore went to the old fort where the dead and wounded refugees were being cared for by nurses and Mrs. Osborne of the British Save-Children-Fund. The officer mopping perspiration from his brow asked "were any British killed or wounded?"

Mrs. Osborne replied none so far as she knew. The Italian sighed with relief, "thank God for that."

### HIRAM JOHNSON TELLS 'EM ABOUT IT OUT IN FRISCO

**World Court is "Ham String  
Tribunal," He  
Avers**

(By the Associated Press)  
SAN FRANCISCO, Cal., Sept. 3.—Characterizing the world court as a "ham string tribunal without jurisdiction," United States Senator Hiram Johnson delivered an address here tonight under the auspices of the San Francisco Labor Council in which he told an admiring receptive audience of the futility of any effort on the part of the United States to end armed conflicts in Europe thru the court or the league of nations.

Europe, he said, was not interested in advice from the United States, but wants aid in either money or men.

"There's a certain class of Americans," he said, "who believe the Lord intended them as world advisers and who are anxious to fulfill their destiny."

"I wish them Godspeed, but a brief sojourn in Europe taught me that the people there, with the centuries behind them and the civilization and culture of the ages will be quite content to worry along in their own appointed way without the advice or the counsel of the men's auxiliary of the weekly club of the cities of America."

He also warned labor to be on its guard for attacks directed against progressive legislation in the state and nation by hostile interests.

### PONY EXPRESS RESUMES RUN

(By the Associated Press)

SULPHUR SPRINGS, Colo., Sept. 3.—The Pony Express resumed its westward course here shortly before 7 o'clock this evening, when Fred Salisbury of Denver, left for Kremling and Steamboat Springs on his lap of the Colorado relay.

Salisbury arrived here at 6 o'clock. He took up his relay at a point 10 miles east of here where Swede Nettlefield also a Denver rider, finished his relay.

Kremling, Colo., 19 miles away is the next central point on Salisbury's relay. He will ride to Steamboat Springs, Colo., which is 75 miles from Sulphur Springs.

### DESTRUCTION IS ALMOST COMPLETE FROM EARTHQUAKE

**Tokio and Yokohama  
Are Laid Waste by  
Holocaust**

(By the Associated Press)  
OSAKA, Sept. 4.—Almost the whole of Tokyo and Yokohama have been destroyed by earthquake, followed by fire, and the loss of life now is estimated at from 120,000 to 200,000 or more. Two hundred thousand houses have been burned down in the cities.

Water mains have been broken and food supplies destroyed by the fire so that the people are near starvation and suffering much from thirst.

It is reported, but not confirmed that the section of Tokyo where most of its foreign population resides was badly damaged.

Martial law has been proclaimed and no one is allowed to enter the stricken districts at the capital altho thousands who have friends or relatives residing there have gathered about the city seeking entrance that they may at least find the bodies of their loved ones.

Military and naval forces have been gathered at the imperial villa at Nikko for use in controlling the situation and other forces are on duty in Tokyo itself.

The air is filled with wildest rumors, including one that the new premier, Count Yamamoto, was assassinated within a few hours after the formation of his cabinet. There is no confirmation of this, however. The reason for the rapid spread of fire which took such an awful toll in Tokyo came to light today when it was learned that the pipes conveying gas for lighting and heating purposes thruout the city were broken by the earthquake, which shook and twisted the ground almost unbelievably. The escaping gas promptly caught fire in several places.

Thus the whole lower section of Tokyo was kindled at once into an inferno of flaming gas torches from the breaks in the mains, blazing wooden dwellings and glowing metal beams and girders from the newer and more modern structures, heated by the flames.

### Disorder Reigns Disorder reigns thruout Tokyo and Yokohama.

Nothing is known here of the fate of the embassies and legations at Tokyo tho it is rumored that the British, American and French embassies have been destroyed. Nor is anything definitely known as to the numerous consulates at Yokohama but it is supposed all were destroyed by the tidal waves and fire which followed the earthquake.

A terrible tragedy was enacted in and around the Genjo railway station in Tokyo Saturday night where it is estimated eight thousand refugees were gathered. An outbreak of fire from a break in a gas main near by threw the entire mass into a panic, which became worse when the fire attacked the station buildings.

No estimate of the casualties which ensued has been made but those viewing the place said these were "staggering" in number. Bodies are piled helter skelter around the station, men, women and children mingled indiscriminately as they fell and were trampled in the mad rush to escape from the fire.

### IS KILLED WHILE GOING TO ARRANGE DAUGHTER'S BURIAL

**Husband Who Was Driving  
Car is Also Fatally  
Hurt**

(By the Associated Press)  
BLOOMINGTON, Ill., Sept. 3.—Coming to Pontiac today to make arrangements for the burial of their daughter, an auto occupied by Mr. and Mrs. Jay Reilly crashed into an Illinois Central train near Swygert killing Mrs. Reilly and probably fatally injuring her husband.

The accident happened at a "dip" crossing four miles east of Pontiac. The road is higher than the railway right-of-way at this point and the automobile was driven against the side of the train. Both victims were pinned under the overturned car. The daughter died at the Livingston county sanitarium Sunday.

#### POPE PIUS SENDS CONDOLENCES

Rome, Sept. 3.—(By The A. P.) Pope pius has sent thru the apostolic delegate in Tokio profound condolences to the Japanese imperial family and the government and people of Japan.

### GOVERNMENT MOVES SWIFTLY TO RELIEVE STRICKEN JAPANESE

**President Coolidge Issues Appeal for Funds  
Thru American Red Cross—Tender is  
Made of the Asiatic Fleet by Government  
—Destroyer Tender Rushing with Supplies**

(By the Associated Press)  
WASHINGTON, Sept. 3.—The United States moved swiftly today to bring the full force of the government and the people to the aid of stricken Japan. While government executive departments were directed to assist in the work, the public was urged in an appeal issued by President Coolidge to contribute funds thru the American Red Cross for aiding the unfortunate and giving relief to the people of Japan.

The Red Cross at once announced that it had started the fund with a contribution of \$100,000 for the relief of victims of the earthquake and in addition had appropriated from its reserve funds \$10,000 for the assistance of Americans caught in the disaster zone.

Arrangements were made at the same time for additional contributions to be received either thru the national headquarters of thru any Red Cross chapters. The funds will be sent thru the state department to the Japanese Red Cross, an efficient organization.

Efforts it was emphasized will be directed toward assisting the sister nation on the farther shores of the Pacific by every available means, not merely because of the long friendship which has existed unbroken thru the years between the two countries but because of the broad humanitarian considerations involved in the great catastrophe. Nor is it forgotten by the United States in thus being the first country to tender its assistance that similar services were given quickly by Japan thru its Red Cross to San Francisco after the devastating earthquake and fire of 1906.

The desire of the Washington government to be of any service possible was made known personally to Ambassador Hanihara of Japan during the day when he visited both the state department and the white house for conference with acting Secretary Phillips and President Coolidge. Immediately afterward the president's appeal for funds was issued.

The Japanese ambassador in turn expressed thru a public statement his appreciation for sympathy that has risen in America for his country in its hour of trouble.

The Japanese ambassador, the statement said, "desires to express his deep appreciation of the great tide of sympathy that has risen thruout America in response to the announcement of the terrible catastrophe that has befallen Japan."

"Not only by the generous proclamation of the president, testifying to the ties of humanity that bind the two nations, but in countless messages, both official and personal have the Americans done their utmost to show their sympathy and their readiness to help their neighbors across the Pacific."

**No Communication**  
Up to the present time the embassy has been unable to establish communication with Japan.

American plans for extending relief were discussed during the day at the white house and at the state, war, navy and other departments. Concerted action looking to relief on a huge scale was taken in every possible way upon the basis of information contained in press despatches and brief messages from American naval officers in the vicinity of Japan without waiting reports from Ambassador Woods or other American embassy officials in Tokio concerning whom nothing has been heard at the state department tonight.

Altho the receipt of additional advices will make possible the formulation of measures for assistance in more detail it was made clear that the machinery for relief work was already in motion in this country and would continue for an indefinite period.

Red Cross headquarters announcement that measures for despatching relief supplies and nurses and other workers were ready and would prove effective, if developments should show that such assistance was needed in addition to the financial contributions.

In anticipation of such a need, the national headquarters sent a wireless message to its Philippines charter directing an immediate survey of relief stores principally rice and transportation facilities required. (Continued on Page Four)

### ITALIANS ARE STILL HOLDING CITY OF CORFU

**In Meantime Greece  
Appeals to League  
of Nations**

(By the Associated Press)  
LONDON, Sept. 3.—Italy is holding Corfu which commands the Adriatic as a pledge for Greek reparations and is waiting grimly for Greece to comply with her ultimatum. Greece having appealed to the league of nations is also waiting and Italy thus far has ignored the protest of the council of ambassadors against her action in seizing Corfu.

The Greek legation here made public the text of the Greek reply to the ambassadors' council, proposal the appointment by the council of a commission consisting three members for an inquiry into all the circumstances of Janina crime and declaring readiness if Greece is found in anyway responsible to grant all reparations decided upon by such commission.

The reply requests the intervention of the council Italy.

The prospects of an early settlement are not improved. The Italian government takes the stand that it did not sign the treaty of 1864, which confirmed the neutrality of Corfu, and is therefore not bound by the treaty.

Further, Premier Mussolini has instructed the Italian delegation at Geneva to abstain from further discussion of the affair and the only hopeful aspect is that Italy seems disposed to have the court of international justice pronounce on the league's competency to deal with such an international dispute.

The British government still is firmly supporting the view that the dispute is eminently one for the league of nations and regards the whole question as sub-judice, pending the league's decision.

In the event of the league's council's abstaining from intervention it is stated that the Scandinavian delegates are resolved to withdraw from the league as did Argentina in 1920.

Great despondency prevails in Athens, where the fact that Italy was able so quickly to land fifteen thousand men in Corfu is considered proof of Mussolini's determination.

The occupation of Corfu seems to be complete and Italians have thoroughly organized the place as tho for a long stay.

#### URGE WORKERS NOT TO FIGHT

Minneapolis, Minn., Sept. 3.—Resolutions adopted at a labor picnic here today urged Greek and Italian workers to refuse to fight in the event of a war between those countries. If there should be another conflict the resolutions said President Coolidge should see that no arms or ammunition are shipped from this country.

London manufacturers are refusing to fill orders from soviet Russia unless payment is made in advance. No eyes are keener for commercial openings than the British, and the fact that their terms with Russia are cash in advance indicates that there has been no improvement in economic conditions in that country, which bears out Secretary Hughes' insistence that there must be recognition of property rights in Russia before the United States can recognize the soviet government.

Secretary of the Treasury Mellon believes that the government should get away from payment and own the necessary buildings in which its business must be done. It is understood he will recommend to Congress a big public building program, to include post offices and other Federal structures in most of the large cities. The ultimate cost is said to be between \$200,000,000 and \$300,000,000, and the time of completion is placed at

20 years hence. Coming from Mr. Mellon, such a program, despite its apparent large cost, must be regarded as dictated by sound business judgement. The rents saved per year would be far in excess of a reasonable interest charge on the money invested.

## MOVIES OF EVERYTHING

The educational uses of the motion picture are more numerous and varied than most persons realize. In a recently published statement Will Hays said: "On land and under it, on the sea and under it, from the sky the camera is ceaselessly shooting, morning, noon and night every wonder, every secret of nature, every invention, every event, every nation. The whole world is literally revolving before our eyes by the motion picture. Wild animals in their native habitat are as familiar as dogs and cats. The most difficult surgery is pictured; sports are taught; tenement children are given lessons by a specially equipped motion picture outfit operated on the streets; the sales of American goods in foreign lands is influenced and the demand at libraries for literary classics is revived by the product of the motion picture film." The flickering screen—with its flickers largely removed—is unquestionably destined to become an essential part of every school equipment. There is much in the sciences which can be better taught with the aid of moving pictures.

Whether or not the screen drama ever becomes the perfect artistic thing its present critics demand, all the equipment and methods employed for making pictures will continue to be improved and increased, for moving pictures are going to fill an ever-growing purpose.

## DIRECT DEALING

WITH CANADA. Secretary of State Hughes goes to Montreal to address the Canadian Bar Association, and will be regarded naturally as a

spokesman of the administration at Washington and consulted on matters of mutual interest by representatives of the Dominion government.

His visit recalls that of the Canadian premier to Washington last winter, or a national mission it recalls also a visit of President Harding to Vancouver, one of the latest incidents of his western trip and the graceful and tactful address he made here on the ability of the two countries to get along together as independent, self-respecting friends.

While Secretary Hughes is in the Canadian capital, he will probably find occasion to press home the desire of the American people for prompt action on the long-delayed proposal to send a Canadian minister to Washington. The British government at London is friendly, and doubtless means well, but problems concerning the two leading countries of North America can be handled far more effectively by direct action.

## THROW OFF THE

## SHACKLES OF WORRY

"The way to throw off the shackles of worry," writes H. A. Davidson Bruce, in Forbes Magazine, "is not the way of reason, insisting to oneself that one will not worry. There may be men who can thus conquer worry, but they must be exceptional. For the fact is that the mere act of saying or thinking to oneself, 'I will not worry about this or that,' helps to fix in the mind the thing projected of worry, and worrying thoughts gradually begin to cluster around us as grapes cluster around their stem."

Hence, what is needed most of all is, for the time being, to empty the mind with something else that will serve to oust the thoughts that worry. What that something else shall be depends on the interests of the individual best by worry.

Men find it particularly beneficial to "sidetrack" worrying ideas by dwelling in imagination on the good things that are theirs—health, family joys, the kindnesses shown them by friends, the music, the books, the beauties of nature to which they have access. Some banish worry by turning to an unusually interesting problem connected with their daily work or a leisure time hobby."

## BOY WANTED

Over 16, with wheel, for delivery work. Address J. H. S., care Journal.

## ELECT OFFICERS

FOR THE YEAR. The Woman's Foreign Missionary society of the Durbin Methodist Episcopal church elected the following officers for the ensuing year:

President—Mrs. Ed Scott.  
First vice president—Mrs. J. W. Scott.

Second vice president—Mrs. B. F. Rawlings.

Third vice president—Mrs. Clyde Oxley.

Recording secretary—Mrs. Edgar Oxley.

Corresponding secretary—Mrs. John Oxley.

Treasurer—Mrs. Samuel Darby.

Mite box secretary—Mrs. Geo. Ebrey.

Extension secretary—Mrs. Ross Seymour.

Tithing secretary—Mrs. George Oxley.

## To Hold Conference

The fourth quarterly conference for the Durbin and Providence charge of the Methodist Episcopal church will be held at the Providence church next Saturday morning at 10 o'clock. Matters of vital importance will come before the meeting, and it is desired that all the official members of both churches be present. Rev. Dr. E. L. Fletcher will be in charge and asks that all reports be in writing and as complete as possible.

## VISIT IN GREENFIELD

Mr. and Mrs. Charles McDonald of this city and Mr. and Mrs. O. M. Pettifish of Litterberry spent Sunday as guests of Mr. and Mrs. Cal Hiney at Greenfield. Mr. and Mrs. Hiney and son accompanied them back here for a visit.

## WRECK ON C. B. &amp; Q.

Barlinton southbound passenger No. 12 leaving Beardstown at 6 o'clock a. m., was wrecked Saturday morning at Hagener about seven miles this side of Beardstown, the wreck being caused by an open switch, the passenger train colliding with a string of cars on the side track.

Engineer Roach of the passenger train was considerably hurt as were also several of the passengers, all of whom were residents of Central Illinois.

Among those injured were August Rouland, Waverly, cuts on chin and lip; A. E. Bryan, Franklin, cut on left leg; Mrs. E. L. Alexander, Beardstown, bruised. The train was moving at a speed of about 20 miles per hour at the time of the accident and it was fortunate that there were no greater casualties. The cause of the open switch has not yet been determined.

Mr. and Mrs. Earl W. Metz and sons Donald and Nellis arrived by motor from Toledo, Ohio, Sunday and spent Labor Day with Mr. Metz' parents, Mr. and Mrs. J. A. Metz of West Oak street.

Misses Neta McEvers and Genevieve Westrop left for Beardstown Monday afternoon for a short visit at the home of Miss McEvers' brother, Mr. and Mrs. C. J. McEvers.

T. B. REEVE VISITED SON. T. B. Reeve, who is a member of the force at the local post office spent yesterday with his son, Glidden Reeve, who was a recent graduate from Knox College.

The young man has served during the past year as coach and science instructor at the Downers Grove high school and is to fill the same position another year.

RETURN FROM MICHIGAN. E. M. Dunlap and family have returned from Pontwater, Mich., to their home at 257 Finley street, following an extended vacation trip.

## FUNERAL OF JOSEPH ESTAQUE IMPRESSIVE

Large Number of Relatives, Friends and Prominent Citizens Attend Services Monday Afternoon—Rev. W. E. Spoonst Delivers Sermon

Funeral services were held at 3 o'clock yesterday afternoon in memory of Joseph Estaque from the residence, 220 East College avenue, in charge of Rev. W. E. Spoonst. A large crowd of relatives and friends attended the services. Homer Wood sang a solo, "Face to Face," accompanied on the piano by Mrs. Wood.

Rev. Spoonst took as his text Psalms 116:15, "Precious in the sight of the Lord is the death of his saints." He spoke briefly of Mr. Estaque's upright life in the community, and of his having accepted Christ when a youth and lived a Christian life in the church. He then emphasized the fact that, although we see nothing in death but decay, removal and absence from the earth, the Lord has found something precious in the death of his saints. We are on the wrong side of the tapestry and see only the tangled ends of thread. We cannot see the artistic work and splendid purpose on God's side. We see the picture from the wrong angle and fail to catch the painter's purpose and theme.

In the death of a saint God sees an opportunity to supply every need of his child. Health means independence and the ability to help one's self; sickness is a silent call for the aid of loved ones, of a physician and of friends; death means utter helplessness, and here God steps in with comfort and spiritual aid.

Death means intimate communion between God and his saint. He likes to have those he loves all to himself, and the saint also has the privilege of being alone with God. Death is a change, rest for the saint, something which Christ promises to all who labor and are heavy laden.

Death is not the end of life, but is a removal to a larger, fuller life. It looks to us as though death ended all, but it means only the removal of limitations. It means joy for both God and the saint. In all outward appearances Joseph Estaque is dead, yet in reality his Christian life is continued in the presence of God.

The many beautiful floral tributes were cared for by Miss Fern Haigh, Mrs. John Buckley, Mrs. Stacey Sheppard, Mrs. C. A. Cole, Mrs. Dave Shadid and Andrew Vieira.

The active bearers were: Charles Black, Harve Atkins, Harry Hoffman, George Hagg, Anthony J. McCarthy, John J. Reeve, Carl York and Walter DeShara. The honorary bearers were: Dennis Schram, H. H. Bancroft, Frank Byrns, Mathew Munter, Charles Knollenberg and Robert Birnbaum.

Interment took place in Diamond Grove cemetery. The local commander of Knights Templar had charge of the ceremonies at the grave. Those from out of the city who attended the funeral were: Mr. and Mrs. Walter A. Stork, Mr. and Mrs. S. F. Estaque, Mr. and Mrs. David Estaque and Andrew Vieira, all of St. Louis; Mr. and Mrs. Luther Estaque, Mrs. Samuel Estaque, Mr. and Mrs. William Estaque, Theodore Estaque, Mrs. Harry Ballard and son, Mr. and Mrs. John Meline, Mr. Elmer Wyke, John Fortado, and Mr. and Mrs. E. M. Vasconcellos, son Gilbert and daughter, Lily, all from Springfield; Mrs. Harry Cole of Peoria, Mrs. Arthur Points and Normando Andrews of Chicago, Harry DeFratts and Mrs. Ebb DeSouza of Palmyra.

WRECK ON C. B. & Q. Barlinton southbound passenger No. 12 leaving Beardstown at 6 o'clock a. m., was wrecked Saturday morning at Hagener about seven miles this side of Beardstown, the wreck being caused by an open switch, the passenger train colliding with a string of cars on the side track.

Engineer Roach of the passenger train was considerably hurt as were also several of the passengers, all of whom were residents of Central Illinois. Among those injured were August Rouland, Waverly, cuts on chin and lip; A. E. Bryan, Franklin, cut on left leg; Mrs. E. L. Alexander, Beardstown, bruised. The train was moving at a speed of about 20 miles per hour at the time of the accident and it was fortunate that there were no greater casualties. The cause of the open switch has not yet been determined.

Mr. and Mrs. Earl W. Metz and sons Donald and Nellis arrived by motor from Toledo, Ohio, Sunday and spent Labor Day with Mr. Metz' parents, Mr. and Mrs. J. A. Metz of West Oak street.

Misses Neta McEvers and Genevieve Westrop left for Beardstown Monday afternoon for a short visit at the home of Miss McEvers' brother, Mr. and Mrs. C. J. McEvers.

The young man has served during the past year as coach and science instructor at the Downers Grove high school and is to fill the same position another year.

RETURN FROM MICHIGAN. E. M. Dunlap and family have returned from Pontwater, Mich., to their home at 257 Finley street, following an extended vacation trip.

## THIRTY ADVANCE MEN TO ADVRTISE CIRCUS

Will Bill City and Surrounding Districts Today—Big Show Will Bring 1,100 People to Town—Famous Elephants "Go Bad"

One of the two advance cars for the Sells Floto circus, which is to show in this city on Monday, Sept. 17, stopped here yesterday and unloaded a force of 30 men, who will begin today the task of billing this city and surrounding communities within a radius of 35 miles. The circus car came in over the Burlington attached to No. 48, the southbound afternoon passenger.

Owing to the Labor Day holiday, the billing force could not start work until this morning. It will not be many hours before flaring circus posters will greet the eyes of the citizens at every corner and on every billboard.

Next Monday another force of advance advertisers will invade the city, and the residents will again be notified that the circus is coming to town. The Sells Floto circus will bring 1,100 people to this city for a stay of two days, Sunday and Monday. All food for animals and men is purchased here, as well as straw and other necessities. At least four tons of hay will be required, and two tons of straw. Several hundred pounds of other foodstuffs in proportion will be purchased. At least 500 bushels of oats will be required for feed.

The circus carries a menagerie of 200 animals and has 500 horses. There are 17 elephants in the Sells-Floto herd. The show started the season with 21 of the big beasts, but four had to be sent back to winter quarters.

"Major," a mammoth bull elephant, went bad, and was returned to the quarters before he could become dangerous. "Old Mom," one of the famous moneys of the circus herd, was found to be too old to continue her travels. She has been pensioned, as a faithful aged elephant should be, and will never enter another circus ring. "Billy Sunday," another famous member of the herd, also went bad and had to be sent to quarters.

Four hundred and fifty performers are with the Sells Floto circus. The came show of three rings and two stages, which has been given in all the large cities, will be seen by Morgan county residents.

The combined shows travel this year on three trains, and, it is claimed, they constitute the finest railroad equipment ever owned by a circus—all new 70-foot cars and all steel.

The Sells Floto street parade—the largest in the world this year—promises much of novelty and beauty and a zoological treat unprecedented. Jacksonville, Monday, Sept. 17.

The big show performances, presented in three rings, on two stages, in an aerial maze and on a real, racing hippodrome track, open with the biggest and most gorgeous of all circus spectacles, "A Night in Persia," employing 1,200 people and animals, garbed richly and beautifully. Elephants wear robes worth small fortunes, with the cost of the gemmed draperies of the central pachyderm of the middle ring reaching the \$10,000 mark.

\*\*\*\*\*

WITH THE SICK

\*\*\*\*\*

Mrs. A. Schafer who has been a patient at Passavant hospital for some time was able to return to her home in Greenville Sunday.

Leo Lewis, son of Oliver Lewis of Alexander, entered Passavant hospital for treatment Monday.

Miss Mary Caldwell of Franklin was taken to Passavant hospital Monday for treatment. Mrs. W. J. Lawson, and little daughter returned to their home in Alexander from Passavant hospital Monday afternoon.

\*\*\*\*\*

AT CONCORD

\*\*\*\*\*

About fifteen members of the Loyal Men's Bible class of Centenary M. E. church visited the Sunday school at the M. E. church at Concord, going in autos driven by John Berger, W. S. Keenan, E. E. Wells and C. S. Smith, who is the teacher of the class.

All report a very cordial welcome, the class at Concord insisting on the return of the Jacksonville members on some other occasion.

\*\*\*\*\*

TO TEACH AT TRENTON

\*\*\*\*\*

Miss Ruby E. Molohon who held a position as teacher at the School for the Deaf in Jacksonville last season, has been engaged in a similar capacity for the coming term at the New Jersey School for the Deaf at Trenton, New Jersey. She left for her new position Sunday morning.

\*\*\*\*\*

MRS. LURTON RETURNS.

Mrs. Ben Lurton who has spent a number of weeks at the Lurton cottage at Saldora and more recently has visited relatives at Toledo, Ohio, has returned to her home in this city.

## FORMER RESIDENT OF WHITE HALL IS DEAD

Miss Mary McCollister Passed Away at Tacoma, Wash.—Was Graduate of Woman's College in This City

White Hall, Sept. 3.—A telegram received by C. I. McCollister today conveys intelligence of the death of Miss Mary McCollister, at Tacoma, Wash., where she had resided for the past few years with her sisters, Miss Mina and Mrs. John S. Judd. The cause of her death is not as yet known, and it was not known that she was seriously ill. A few years ago she had a fall that has caused great inconvenience to the aged lady. Only a couple of months ago Miss Dora McFarland returned from an extensive journey with them, and a subsequent letter to Miss McCollister did not mention Miss Mary McCollister being ill. A brother, Isaac McCollister, residing in California, together with the two sisters, are the only surviving members of a once notable White Hall family.

The deceased was born on a farm west of White Hall 36 years ago. She graduated from the Illinois Woman's college at Jacksonville. Her father William McCollister, died in 1853 and her mother in 1889. Upon the death of the latter Miss Mary went to Chautauqua, New York, and joined the forces of Bishop Vincent in developing that mother of the chautauqua enterprise. She established a cottage and remained there until about 20 years ago, since which time she has been residing in the west with her sisters.

The remains will arrive at White Hall over the Burlington at 10:32 a. m. Thursday and at 2:30 that day funeral services will be held in the M. E. church, where she spent many years in devoted endeavor in building up a religious institution that was the leader of the community in that day and for years after she left White Hall. Her mother, the late James Gregory and Peter J. Bates were among the moving spirits in bringing about the erection of the edifice that today stands among the greatest church structures in this section.

Great services to Methodism will be recounted in the funeral discourse by Rev. James O. Kirk.

We repair shoes the modern way—Bring the old ones to us to be made new

## BOY INJURED BY FALL IN MANCHESTER

Robert Wright of White Hall Has Compound Fracture of Wrist as Result of Fall from Loft—Other Manchester News.

Manchester, Sept. 3.—Robert Wright, ten year old son of Mr. and Mrs. John Wright of White Hall, sustained a compound fracture of his left wrist Monday morning as the result of a fall from a barn loft. The boy, who has been visiting at the home of his aunt, Mrs. J. C. Andras, was playing in the barn and fell through a hole in the loft, breaking both bones in his left wrist.

The injured lad was taken to Murrayville, where Dr. J. H. Spencer gave the necessary surgical attention. He was later removed to his home in White Hall. He and his brother Ted had been visiting at the home here for a number of days. The local schools opened Monday for enrollment, but there will be no school sessions during the week because of the teachers' institute at Winchester. The following teachers have been engaged for the coming term:

C. H. Griffith, Roodhouse, superintendent.  
Miss Theodore Bowser, Bloomington, principal.  
Miss Mary Wheeler, Bloomington.

Peaky Devils Quietus

P. D. Q.

P. D. Q. Peaky Devils Quietus is the name of the new chemical that actually kills the bug family, Bed Bugs, Roaches, Ants and Fleas, as P. D. Q. kills the live one and their eggs and stops future generations. Not an insect powder but a chemical unlike anything you have ever used.

A 35 cent package makes one quart and each package contains a patent receipt to get the Peaky Devils in the cracks and crevices.

Your druggist has it or he can get it for you. P. D. Q. can also be purchased in sealed bottles, for sale in bulk, for large quantities.

Burgoo Soup, Christian Church Woodson, Sept. 4.

DEATHS

Black

The remains of Mrs. Martha Day Black who died Monday at Norbury Sanitarium, were taken yesterday afternoon to her home town of Auburn for burial. The body was prepared for burial at the Gillham Funeral Home. Deceased was born May 31, 1849. A son accompanied the remains to Auburn.

MEREDOSIA

Percy Edlen, Louis Perry and Joe Hughes returned Saturday from a month of military training at Camp Custer, Battle Creek, Michigan.

Mrs. J. Hoffman and daughter Marie of Beardstown who had been visiting Mr. and Mrs. Thomas Beeley spent Wednesday with relatives in Clayton.

Mr. and Mrs. Walter Hornsby of Peoria arrived Friday for a week-end visit with W. G. Looman and son Kenneth.

Mrs. Sophia Scheer of Deatur arrived Friday for a visit with her sister Mrs. Mary Geiss.

The seventh annual I. O. O. F. picnic and county association meet of the Odd Fellows and Rebekahs will be held in this place next Wednesday. The Perry band will furnish the music for the day. Good speaking will be furnished, also various contests. Plenty of good things to eat. Such as Burgoo soup, fried fish etc.

Dr. H. H. Hammon wife and son Bernard who just recently returned from Seattle, Washington, have been visiting friends here the past week before taking up their residence at Rushville where the doctor will engage in his professional business as a dentist.

Anita Birkett of Mausatine, Iowa, left Saturday for her home after a week's visit with Mr. and Mrs. L. Yost.

Mr. and Mrs. Charles Sharpe and daughters Ruth and Florence of Bloomington arrived Saturday for a visit with Mr. and Mrs. I. L. Tischer.

Professor C. H. Branon of Jerseyville arrived Saturday to perform his duties as superintendent of the grade school.

Mr. and Mrs. C. M. Stringam and daughter Marian of Kansas City, Mo., spent the week-end at the home of Mr. and Mrs. H. W. Kinnert.

Last Thursday a shower was given at the home of Mrs. Edward Hudson in honor of Mrs. Walter McAllister who was just recently married. She was the recipient of a number of beautiful and useful presents. The evening was spent in a social way during which refreshments of cake, bananas and ice tea were served. The following were those who attended: Mrs. George James, Mrs. William Hyatt, Mrs. Edward Hyatt, Mrs. Ethel Allen, Mrs. Carl Allen, Mrs. Joseph McAllister, Mrs. Harry Waters and Miss Gladys Vanderlip.

Mr. and Mrs. T. W. Burdick and daughter, Anna Christine, Mrs. H. L. Lake and daughter Frances, Mr. and Mrs. George Hyde, Mr. and Mrs. Walter Hyde, Miss Marie Bennett and Harold Gard enjoyed a picnic supper at Nichols park Jacksonville Friday evening.

Mrs. Eleanor Hudson who has employment in Pekin has been spending the week with her children here.

## I. C. ENGINEER WANTS TO STOP SLAUGHTER

Asks Motorists for Aid in Reducing Accidents at Grade Crossings—Engineer Cannot Turn Out to Avoid Collision.

CHICAGO, Ill., Sept. 3.—The story of death and destruction as seen from the inside of the swaying cabs told by H. M. Kempton, of Chicago, locomotive engineer on the Illinois Central Railroad, who has sent forth a personal plea for assistance of motorists in checking the "slaughter" at grade crossings.

What are the sensations of the man in the cab peering down two ribbons of steel that stretch far away ahead of him as his engine, whirling along at 60 or 70 miles an hour, suddenly drives thru a car load of frail human bodies?

"It is no light or trivial thing," said Engineer Kempton, "to sit in a racking cab and see and feel your engine strike an automobile loaded with human beings. There can hardly be a grimmer moment in human experience than that. An engineer whose lot it is to go thru such a moment will never lose the picture from his memory. The man who takes a gambler's chance with death at the wheel of an automobile ought to think of others besides himself.

"An engineer has no choice. He must drive his engine forward on time as far as lies in his power and he cannot deviate from those two parallel lines of rails. He cannot at a moment's notice bring that speeding projectile to a dead stop. Such a thing is physically impossible. When the foolish motor car driver stalls his machine on the track, or finds after trying to 'beat' a fast train that he has been distanced in the race, the engineer is powerless to avoid what happens. He would avoid it if he could.

"There are between 250,000 and 300,000 grade crossings in the United States. At these crossings 9,000 persons have been killed and 24,000 others injured during the past five years. A little alertness and watchfulness on the part of an automobile driver would have avoided these unfortunate occurrences."

Too many young and irresponsible persons driving automobiles is one of the great causes of accidents, Mr. Kempton believes. "If they were persons of calm judgment and discretion," he declares, "they would not take chances at crossings."

"Let's every one think Safety First, talk it, drive it, live it." Whenever anyone of us comes within view of a railway crossing, let the thought be uppermost in our minds, "Stop—Look—Listen."

No precaution taken will be time or trouble wasted. Even to relieve a little nervous dread that lurks in every engineer's breast is well worth while. We engineers never know when we start out on our runs but what that day or night may be our turn to undergo the ordeal of death at a grade crossing.

ILLINOIS BRIEFS

Moline, Ill.—A good business outlook is given as the cause of a resumption of operations here of the Tri-City Mailable Iron Casting Co., one of the largest mailable iron casting companies in the district, after a period of several years idleness.

Quincy, Ill.—When the excursion steamer St. Paul recently ran aground in the Mississippi en route to Keokuk, Iowa, it automatically turned an expected excursion in a picnic. Members of the Farm Bureau and their friends, who had waited for the steamer over three hours, all hastened to Baldwin Park and organized a picnic. A program of games and races was hurriedly planned and the day was a success, according to bureau members.

Aurora, Ill.—Representatives of forty cities in this section of the state will attend a golf meet and luncheon here September 6. The assemblage will be the fifth of its kind and the second held in Aurora. Chicago, Evanston and Chicago Heights will have charge of arrangements for speakers at the meet.

West Frankfort, Ill.—Only 415 automobiles listed on the tax assessors books caused the board of assessors of West Frankfort to start an investigation. The 415 cars in Frankfort township and the 558 in Denning township seemed a small number to the board. Consequently they communicated with Secretary Louis L. Emerson, requesting a list of automobile owners in the townships. The reply showed 1347 automobile licenses for these two townships. It is expected that by the time all vehicles in the city have been licensed the number will run up to 1600.

Peoria, Ill.—Fifty per cent of the teachers of the rural schools of Peoria county have changed their teaching positions for the coming school year, according to J. J. Hayes, county superintendent of schools. Sixteen per cent of the rural teaching force, he said, has had no previous teaching experience.

ASK WIRE REMOVALS  
Moline, Ill.—Removal of all power wires and poles from downtown Moline was asked by Mayor C. W. Sandstrom who seeks cooperation in the movement from the city council. Only wires needed for street cars should be allowed to remain, said the mayor. Public opinion believes the mayor will force the change.

## CONCORD

Mr. and Mrs. George Hoover of Coffey county, Kansas, are visiting Mrs. Mattie Wegeholt and other relatives.

Mr. and Mrs. Arthur Hamilton of Newark, N. J., visited his mother, Mrs. Rebecca McConnell the past week.

Mrs. Ora Ham and family were called to Arenzville Sunday morning. Her father, William Green, passed away Sunday evening.

John Dych met with a very serious accident Thursday while at work. He is employed by the C.

B. and Q. railroad. He was taken to Beardstown on the afternoon train. His wife accompanied him.

Mr. and Mrs. B. A. Cratz returned home Friday from their four weeks automobile trip thru western states.

The Concord schools opened this morning with S. Spencer, principal, Lloyd Ogle, grade teacher and Miss Margaret Neiman of Arenzville, primary.

Miss Rose Quigg of Virginia commenced her school today at Harmony south of Concord.

Mr. and Mrs. Orie Gray of Jacksonville visited at Harry

Yeck's Saturday night and Sunday.

The Concord Christian Sunday school elected the following officers Sunday morning to serve one year commencing October 1. Supt.—Mrs. B. A. Cratz. Asst. Supt.—Bert Way. Treasurer—Mrs. Bertha Bayless.

Planist—Miss Marie Way. Librarian—Miss Mae Johnson. Chorister—C. O. Bayless.

Kathryn Pike, an authority on customs laws, has for some time been acting as assistant secretary of the treasury at Washington.

## Edna Wallace Hopper's Own Story

The fascinating musical comedy star of "Wang" and "Floradora" times tells how she kept her youth and beauty to a "grand old age"

By Edna Wallace Hopper

health factors to consider. But I have seen hundreds of women in my circle multiply their beauty and maintain their youth by doing just what I did. I have seen countless unattractive girls become belles. And I know that millions can do likewise. With most women it is simply a question whether their beauty and youth are worth while.

My home is in Hollywood, where there is perhaps the greatest congregation of beauty in the land. But nearly all of that beauty is cultivated. And absolutely all of it is maintained by simple daily care.

Once in a vacation I entertained myself by picking out two very homely girls. I taught them my methods and supplied them my means. Both these girls within two months, gained remarkable attractions. Both are now in careers where beauty is essential.

There is no need to envy youth and beauty. The great majority of women have them at their command. Nearly any woman who will can greatly enhance her beauty and gain decades of added youth.

The Simple Methods.  
Cleanliness is one essential. Not mere surface cleanliness, but keep the skin clean to the depths. Draw out from the skin periodically the impurities which cleansers can't remove. Feed the skin, soften and whiten it, protect it against dirt and weather, maintain its rosy bloom.

Shrink the skin where lines or wrinkles form, or where pores become enlarged. There are easy ways to do that—to maintain the smoothness and the contours of a girl.

The soil of the hair, which is the scalp, must be kept clean, fertile, stimulated and cultivated. Treat it like a garden. The hair's texture, thickness, health and color depend, as flowers do, on the roots.

Exercise daily to keep supple and oxygenate the blood. Sleep with the windows open and keep much in the open air. But protect the skin from harsh attacks of weather, wind and sun.

Guard against overeating. Most women eat too much. One great element in youth is a youthful figure.

Keep busy, maintain your interests and ambitions, else the mind and body become sluggish. Keep cheerful. Banish worry. Start every day with a song, laugh at difficulties, face problems with a smile. That's what youth does, as you know.

Does it pay? Yes, if it pays to live life to the full and garner all the joys. Every day of the life I live is worth a year of sluggish discontent.

Men's ambitions are for fame, success and money. And note how men work to fulfill them. Most of a woman's ambitions depend on her charms and attractions. When she loses them she loses nearly all. One-tenth the effort which men give to their attainments will bring all women rich rewards, and to most women all their care.

## JUST TWO OR THREE WORDS

## Order That New Suit!

And just a few more words—It's a positive fact that the prices of woollens are steadily rising. Each time we buy we have to pay more, and so will you, whether you buy tailored or ready to wear. The thing to do is to buy now, at present prices. Come in and talk it over with us.

### GOVERNMENT MOVES SWIFTLY TO RELIEVE STRICKEN JAPANESE

(Continued from Page One)  
The navy department was one of the first executive branches of the government to take action, thru Admiral Anderson in command of the Asiatic Fleet despatching seven destroyers from Port Arthur, one of which is expected to arrive at Nagasaki tomorrow and the other six at Yokohama on Wednesday. All are carrying medical supplies and food while other stores are being taken aboard larger vessels of the fleet at Chefoo, China.  
Tendered Use of Fleet  
The entire Asiatic fleet has

been placed at the disposal of the Japanese minister of marine for such use as he may care to make of it in relief work.  
War department officers mean time undertook a survey of the facilities at their command which might be used in the emergency. The Transport Merritt they said was at Manila and might, if necessary, be loaded with medical, clothing and other supplies, including foodstuffs, and sent to Japan.  
Altho more than 2 days have elapsed since the earthquake nothing has been heard of American officials or private citizens who were in the affected zone. Communication, it is explained, has been impossible even the message of President Coolidge despatched to the Japanese government Saturday night being returned today. This message it is hoped to forward soon however, by wireless to the Asiatic fleet.  
As a result of the uncertainty as to the fate of Americans the state department has directed Nelson T. Johnson, American consul general-at-large, who is in Northern China to proceed at once to Yokohama and report on the condition of American citizens and members of the embassy staff at Tokyo and of the consulate at Yokohama and Nagua.  
Consul Ballentine, at Dairen, also has been ordered to Japan.

### MR. AND MRS. ARCHER AGAIN IN THE CITY

Mr. and Mrs. T. V. Archer returned Monday night from Cincinnati, Ohio, where they have spent several weeks visiting relatives. Mr. Archer is principal of the State School for the Deaf, and Mrs. Archer is a member of the faculty.

An airplane with a salon for 25 passengers has been designed with the whole body enclosed in the wings, so that it is all lifting surface.

### BETTER WORK IS DONE FOR EX-SERVICE MEN

Chairman of Hospital and Welfare Committee Says Now Getting Co-operation From Other Societies.

Springfield, Ill.—Convalescent suits, sleeping caps, wash rags, water bag covers, and pajamas are being made to supply 3000 former service men confined in Illinois hospitals, according to Mrs. W. L. Simmons, chairman of the hospital and welfare relief committee of the Women's Auxiliary of the American Legion in Illinois. In addition to this, four cases of fresh eggs are shipped to the hospitals each week in addition to other foodstuffs sent to the men, said Mr. Simmons.

"We are now receiving the co-operation of other organizations in the state which previously had not recognized the efforts of the committee," she continued. "Three chief duties occupy the attention of the committee at present. They are, first, visiting and cheering men in the hospitals; second, assisting in burying the dead; lastly, giving all help and assistance to former service men and their families."

Scope of Work  
"Although we are doing the greatest part of our work in Chicago, it must not be felt that we have been showing partiality to anyone locality. We are trying to care for men in hospitals wherever located throughout the state, through local units where possible. The boys in these hospitals are comparatively few from Chicago but come from all over the state and union. The work has been new to us but we feel that we have laid the foundation for greater success in the future."  
"Many have questioned the reason for our supplying these articles and your chairman took the matter to the highest authority and found the federal government was not obliged to supply one thing, not even pajamas to these men in hospital. Therefore we are trying to meet these needs."

"The first three months of this work is merely preparatory, as lack of experience, lack of knowledge of the material in our

own ranks upon which we had to draw, and lack of funds made it impossible to carry out the work as we had planned to do, and it was not until Dec. 20 that the first check was received from headquarters, since that time units have responded wonderfully and the work has gone on merrily."

### MOVIES EVENTUALLY NEED NO CENSORSHIP

CHICAGO.—(By the A. P.)—Another ten years will see the passing of the movie censor, declares Mrs. A. L. Adams, chairman of the Chicago board of motion picture censorship, who says the present day picture director and the present day star need little supervision in their art. "It will not be long until such supervision is entirely superfluous," Mrs. Adams asserts. "Directors do not want to offend the public, and they have learned that the public wants clean pictures. Censors, however, can make few hard and fast rules. They have to judge each picture individually."

"Censorship like the movies themselves is undergoing an evolution. But it cannot be abolished for some time yet because people sometimes read into a picture what is not there."

There are some rules, Mrs. Adams says, which she always observes. In a fictitious encounter, hitting a man when he is down is all right, but a man cannot shoot at an officer pursuing him, but that encourages lawlessness. Single piece hitting suits are all right, but a bath tub cannot be permitted to parade across many feet of screen.

"Value does not need to triumph over all difficulties, but pictures glorifying unscrupulous dealings are all right, as long as they are not glorified. A picture glorifying a man who has been wronged by a picture, generally, however, we do not like."

Mrs. Adams, "and because public opinion is the basis of all censorship, we must keep in mind that these people have read something into a picture which is not there."

### UNIQUE COIN SOLD FOR \$1100

London.—(By the A. P.)—One of the most valuable of English coins was sold at auction recently for \$1100.  
The specimen was one of the 15 "Petition" crowns, or five shilling pieces, issued in the reign of Charles II. At that time a petition was appointed engraver for new coinage much to the dismay of Thomas Simon, coin designer of the day. He therefore made an effort to regain his appointment by producing a "Petition" crown, around which he engraved an appeal to the King asking him to compare his work with that of the Dutchman.

First machine that could type more quickly than one could write was designed in 1866.

### ONCE LUXURIANT CRIMEA TODAY IS HOPELESS WASTE

Alushta, Crimea, (A. P.)—The Crimea, the beloved health resort of the old days and known as the "Russian Riviera," once filled with beautiful palaces surrounded by flowers, vineyards and magnificent fruit gardens, lies now flowerless and ruined as a result of the civil war and last year's famine.

Many of the owners of these villas, vineyards and fruit gardens belonged to the upper class and lived in central Russia, coming here for their relaxation. Large numbers fled the country years ago, while others, having thrown in their lot with General Wrangel, became the scapegoat of his acts after his defeat and paid the death penalty during the second occupation of the Crimea by the Bolsheviks.

The Crimea has not escaped the effects of nationalization, confiscation and requisitions and while nominally the immense vineyards and magnificent gardens have been declared nationalized, as a matter of fact they are nobody's property. Vineyards and gardens stood unguarded for several years, with the result that everything went to the dogs. The wine-stocks dried, and a majority of the best fruit trees died. Thousands of acres of almond, apricot, peach and pear trees and vineyards are today absolutely worthless, and many a year will have to pass before they can be brought to life again.

The same is true of agriculture and industry. Despite the reconstruction work carried on by the Crimean "Independent" Soviet government, Crimean agriculture and existing minor industries are in a deplorable condition. The number of cattle has diminished by 75 percent, the total number of working horses being today only 30,000. The sowing area is only 40 percent of 1916. This year's harvest will be very small.

Industries in the Crimea are inefficient and play an unimportant part in the economic life. They consist largely of the curing of tobacco, tanning and preserving. They all languish. There is no market for the local salt, and Crimean wines go begging. The people are impoverished and seem content to live with insufficient food, no comforts or pleasures, and with little hope for the future.

### STATE DEPARTMENTS SAVE SOME MONEY

SPRINGFIELD, Ill.—(By the A. P.)—Contrary to what is sometimes considered the popular belief, that state departments manage to use up every cent of money appropriated for them by the legislature, the state waterway department, under William L. Sackett, superintendent, has proved at least the exception.

This division which is a branch of the department of public works and buildings, Cornelius R. Miller, director, turned back into the state treasury \$75,000 for the fiscal year recently closed Mr. Sackett said.

The division also saved something like \$100,000 over the bid price on the Marseilles lock of the Illinois waterway.

The lowest bid for this lock was based, apparently, on war time prices. The division succeeded in having it reduced by the figure mentioned.

Accomplishment considered even more unusual was the return to the treasury of \$25,000, part of a sum appropriated to investigate the feasibility of constructing a harbor for Indiana and Illinois by improving Wolfe Lake in Indiana. Only a few dollars of this appropriation was expended, though a thorough examination of the situation was made.

### BEEKEEPERS HONOR MILLER'S MEMORY

Marengo.—Beekeepers of international note in a cavalcade of 50 automobiles made a pilgrimage here to honor the memory of Dr. C. C. Miller, whose work in bee culture made him famous among the members of his profession.

The visit was part of the national beekeepers' chautauqua now in session at Lake Mendota, Wis. Part of the program was the dedication of the C. C. Miller memorial library at Madison.

Dr. Miller's observation on bee behavior and his application of these principles to practice are said to have placed him as one of the greatest authorities on bees in the world. Delegates were present from European countries and Canada.

### WILL WITHDRAW DELEGATES AT GENEVA

Rome, Sept. 3.—Premier Mussolini, it is understood, is ready to withdraw the Italian delegates from the Geneva conference if his viewpoint concerning the conflict with Greece is not shared by the league of nations.

### COAST GUARDS ARE BRANCH OF MILITARY

SPRINGFIELD, Ill.—(By the A. P.)—The question of whether a member of the United States coast guard service was in the "military forces of the country during the World war," has been decided in the affirmative by Attorney General Brundage. The question arose when Sheldon K. Northam applied for a bonus. He was a member of the coast guard during the war. The coast guard is under the treasury department in peace times. In war time it is shifted to control of the navy department, and this provision, the attorney general held, constitutes the guard a branch of the military service.

### CHERRY PIE STEPS FASTEST MILE

New York, Sept. 3.—Cherry Pie of the Green Tree stables, carrying 113 pounds, ran the fastest mile ever run by a horse in a race today at Belmont Park, winning the Jerome Handicap in 1:35 2-5.

### CHAPIN

Rev. Butterfield of Osceola, Iowa will preach at the M. P. church Tuesday night September 4th. Rev. Butterfield is a member of the Missouri-Iowa Conference and comes here with the best of recommendations and a large attendance is urged at this service.

Mr. and Mrs. J. Z. Fox were Waverly visitors Sunday.

Mr. and Mrs. Deane Antrobus of Joliet arrived Sunday and are guests at the former's parents, Mr. and Mrs. E. F. Antrobus.

The community high school opened Monday, the grade school will open Tuesday September 4.

Mrs. Elizabeth Bridgeman went to Springfield Sunday where she was met by her son, C. H. Wolford and family and accompanied them to their home near Atwood, Ill., for an extended visit.

Mr. and Mrs. Harold Jewsbury of the Lynnville neighborhood were Sunday evening supper

guests of Mr. and Mrs. Henry Vortman.

Rev. and Mrs. O. W. Lough and children were Winchester visitors Sunday and Rev. Lough preached at the old Presbyterian church there.

Miss Barbara Smith will be hostess to the Chapin Social club Tuesday afternoon.

Mrs. Elsie Moody Adams and two children Hazel and Wanda returned home Sunday from a visit at Clinton, Iowa.

Moline.—According to Moline motorists the "no-parking" signs in Rock Island and Davenport mean nothing. At least the police admit they are powerless to arrest "violators" who park between such signs. Until the city councils pass a traffic ordinance the signs are illegal, says the motorists.

## Social Events

**Bluffs Family Reunion**  
The Bluffs family held their annual reunion Sunday at Nichols park in this city. At 12:30 o'clock a bountiful dinner was served in true picnic style and afterward there was a brief business session. At this time Fritz Haskell was elected president of the organization.

In attendance at the reunion were:

Mr. and Mrs. Palmer Waters, Mr. and Mrs. Horace Waters and family, Mrs. William Waters and son, Mr. and Mrs. Cecil Solomon and family, Misses Alma and Ella Mills, Mrs. Cap Mills, Edward Coats and family, Mr. and Mrs. Claude Coats and family, Mr. and Mrs. Cort Hall and family of Modesto, Mr. and Mrs.

Bruce Ogg of Virden, Mr. and Mrs. Luther Smith and family, Mrs. Julia Best and family of Palmyra, Ill., Harold Berry of Beardstown, Mr. and Mrs. Lucian Buchanan, Mrs. Leroy Castle and sons, Mrs. Mary Buchanan and family of Bluffs and Mrs. W. Haskell of Winchester.

**Gathering at Park Celebrates Birthdays**  
A large company assembled at Nichols park last Sunday, the affair being a joint reunion and birthday celebration. In the company were residents of Woodson, Manchester, Franklin, Sinclair and various other parts of the county as well as from more distant points. Dinner was served at noon on long tables and the menu included all the good things usually found on the festive board on such occasions.

In the company were the following:

Mr. and Mrs. S. S. Sheppard and family, Inez Albert and Susie; Mr. and Mrs. Jud Sheppard and family, Lucile and Vivian Sheppard; Mr. and Mrs. Art Sandman and son, Earl William; Dick Sandman; Mr. and Mrs. Thomas Story; Mr. and Mrs. Ted Iran and children, John and Mary Irene; Miss Jane Iran; Mrs. Lucy Hudson and children, Elene, Tommie and Edward; Ruth and Florence Myers; Emily Adams, all of Woodson, Ill. Mr. and Mrs. Henry Hudson and son, Wayne; Mr. and Mrs.

Mrs. Matt Cotter; George Hayes, son James and daughter, Helen; Clayton Hudson and family, Raymond, Francis, Thelma, Idella and Norma; Mr. and Mrs. David Barber; Arch Barber and sister, Ella, all of Manchester, Ill. Mrs. Sarah Goucher of Arkansas; Mr. and Mrs. Mervin Hart and children, Velma and Howard, Franklin, Ill. Mr. and Mrs. Bert Hoots, Sinclair, Ill. Mrs. Jeff Long, Wright, Ill. Mr. and Mrs. Frank Munther, Bloomington, Ill. Mr. and Mrs. Harry L. Wells and family, Harry Lee, Eva May and Clarence, Jacksonville, Ill.

**Gave Dinner Party.**  
Mr. and Mrs. A. B. Cunningham of Los Angeles were the guests of honor at a dinner given Sunday at the home of Mr. and Mrs. William Cleary northeast of the city. The guest list also included Mr. and Mrs. George Wittinger, Pleasant Plains, Miss Alma Crum, of Ashland, and Mr. and Mrs. Robert Strawn and family of Sinclair. It was a very pleasant event.

**Gleaners Will Meet.**  
Misses Pearl Bridgeman and Elsie Blackburn and Mrs. James Middleton will be hosting this afternoon at the meeting of the Gleaners' class of Ebenezer church which meets at the home of Mrs. S. M. Bridgeman, 704 W. Lafayette avenue. A program and refreshments will follow the regular business session.

**Family Dinner Party**  
A family dinner was held at Nichols park Sunday in honor of Mr. and Mrs. E. W. Wolf and two sons, William and David of Chicago, who came from their home in the northern part of the state to visit relatives in Litchfield, Springfield, Woodson and Jacksonville.

The day was spent in a very pleasant social way and a splendid dinner was served. Among those in the company were Mrs. Bowby, Pekin; Mr. and Mrs. Charles Wild, Alice Wild, Oliver Preston, Woodson; Mr. and Mrs. Leo Doolin and children, Mrs. Lillian Stout, Roy Stout, Clinton Stout, Mr. and Mrs. Roy Sperry and children, of Jacksonville.

**Surprise on 25th Wedding Anniversary.**  
The Reverend and Mrs. J. G. Kuppler were pleasantly surprised last Sunday evening by the members of the Salem Lutheran church of which the Reverend Kuppler is pastor. At the hour for evening service the worthy couple were met outside of the church by William Batz and William Roegge, two of the deacons, and were escorted into the auditorium and given a seat of honor while a program in commemoration of their twenty-fifth wedding anniversary was carried out.

The plans for the reception were made by the Ladies' Aid society and the Ladies' Guild of the church. After the special guests had been seated Miss Middendorf rendered several selections on the organ, this being followed by congregational singing. The Rev. H. Vattauer, pastor of the Mercedes Lutheran church, who had been secured by the committee, then delivered a very interesting address. At the close of the address William Batz presented to the couple in the name of the congregation a well filled purse, which was accepted by Rev. Kuppler in some very well chosen remarks, in which he thanked them for their congratulations and their gift. A great many other letters of congratulation were received from Erie, Penn., which was the former home of Reverend Kuppler and from other points. The service then concluded with a handshaking and a general good time.

The service was also enjoyed by Erich and Walter Kuppler the two sons of Reverend and Mrs. Kuppler, who were both present at the ceremony.

Rev. and Mrs. Kuppler were married on September 1st, 1898, in Springfield, at the Trinity Lutheran church, the Reverend F. Berg, who was then pastor of the Beardstown Lutheran church officiating. At that time Rev. Kuppler was pastor of the church at Lake Charles, Louisiana, and it was to that place that he took his new bride. In 1902 they transferred to Pleasant Plains where they remained for a little more than six years, coming to the Salem Lutheran pastorate in Jacksonville in 1909, at which charge they have been ever since.

## WHITE HALL MAN REPORTS ON WEATHER

**R. B. Pearce Gives Summary of Weather for Month of August—Threshing not Yet Completed.**

White Hall, Sept. 3.—A summary of the monthly report of R. B. Pearce, cooperative observer of the weather bureau, shows total rainfall for August, 4.51 inches, 0.68 of an inch above normal. The rain was well distributed over the month, but had not restored water supplies in wells and other sources. There were twelve days with precipitation of 0.01 inch or more, and twelve clear, seven partly cloudy and twelve cloudy days. The distribution of the rain seriously interfered with threshing operations, there being only ten days favorable, and there are several days of threshing remaining in order to clear up the crop, which has been badly damaged. Thunder storms occurred on the 3rd, 4th, 6th, 8th, 10th, 16th, 19th, 20th, and 27th, and on the 4th did damage to corn in a stretch south west of White Hall, on which date there was tree, pole and wire damage during a storm that set in at 3:40 P. M. and continued until 4:30 P. M.

The average temperature, 75 degrees, was 3.3 degrees above normal. The highest readings were 97 on the 7th, 11th and 14th, and the lowest 46 on the 23rd, the latter being a new low record for August.

Feeding cattle are coming in in large numbers, and more are to follow.

Hog cholera has made its appearance. Ennis Tunison has lost thirty head, and his losses may be enlarged. Cholera reports have been received from Carrollton, Alsey Winchester and like reports are coming in from other sections of the state. Farmers neglected to vaccinate last spring, leaving these communities without protected herds. The fall apple harvest is in full blast. Peaches are of the best quality ever grown in this section.

## CARS COLLIDED ON SINCLAIR ROAD

**Miss Beatrice Nunes Received Scalp Wound—Several Persons in the Two Parties Slightly Injured.**

Miss Beatrice Nunes, fourteen year old daughter of Mrs. Bess Nunes of this city, sustained a severe scalp wound Monday evening when Ross Abel's Overland car in which she was riding, collided head on with a machine driven by Morrison Worthington, about three miles northeast of the city on the Sinclair road. The other members of the two parties suffered minor injuries of cuts and bruises but none was seriously hurt. The accident occurred about 6:30 o'clock.

Mr. Worthington, with Worthington Adams, Fred and Robert Shoemaker, were motoring to the Swain farm at Sinclair when their machine crashed into the Abel car with Ross Abel at the wheel, Miss Nunes and two other persons as occupants. Both machines were rounding a curve when the collision occurred.

Miss Nunes was taken to Our Savior's hospital where she is receiving medical attention. Fred Shoemaker was taken to Passavant hospital to have a cut in his left forearm sewed. The Abel car was wrecked while the Worthington machine, a Jordan, lost a wheel and both fenders on one side.

## FUNERALS

**Lane**  
Funeral services for Jesse Alfred Lane were held at 2:30 o'clock yesterday afternoon from the Gillham Funeral Home, in charge of Rev. R. H. Hackley, assisted by Rev. John Kirk. Music was furnished by the Bethel choir, and Ray Ross sang a solo.

Those in charge of the flowers were: Mrs. Edward Moore, Mrs. Frank Weir, Mrs. William House and Mrs. Maggie Richardson. The bearers were William House, James Hamilton, Ray Stewart, William Fields, Walter Taylor and John Easley. Interment was in Jacksonville cemetery.

## CHARIVARI GIVEN FOR NEWLYWEDS LAST NIGHT

Mr. and Mrs. T. J. Harvey, who reside a mile and a half east of Merritt, were given a charivari Monday evening by a number of their friends. The affair was planned principally by Rev. G. T. Wetzel, and people from the M. E. churches at Lynnville and Merritt made up the company of 100. Although taken completely by surprise, Mr. and Mrs. Harvey whose marriage occurred recently, made their self-invited guests welcome and the evening was a very pleasant one for all. The time was spent with games and music and refreshments of ice cream and cake were served.

Mr. and Mrs. Harvey are well thought of in their respective home communities and it was because of this fact that their friends and neighbors joined in this pleasant social affair.

## GIFT CAMPAIGN IS DECLARED UNLAWFUL

**State's Attorney Carl E. Robinson Sets Forth Illegal Aspects of Big Extension Plan in Letter to Secretary Welch—Says Plan is Contrary to Provisions of State Constitution.**

The gift campaign as held in this city last year and as under consideration for the coming months, is contrary to the constitution and laws of the state of Illinois, is the announcement of State's Attorney Carl E. Robinson made yesterday. Mr. Robinson has called the attention of Harold C. Welch, secretary of the local Chamber of Commerce, to the fact that the gift campaign is unlawful. The state's attorney stated to Mr. Welch that he hoped the business men would not embarrass the city and county authorities by engaging in another gift campaign, and that he was certain they would refrain from entering such a movement when they understood clearly its legal status.

Mr. Robinson's communication to Mr. Welch came after he learned that local merchants were being sounded as to their willingness to enter another campaign. It is understood that many favor making the movement an annual event, and that it was generally accepted that a gift campaign would be staged again this fall.

Mr. Robinson made known the legal aspects of the matter in a letter to Mr. Welch several days ago. He stated yesterday that he would have called the attention of the merchants to the illegality of the campaign last year, if he had known of the plan in time. The state's attorney did not make any statement when other towns in the county followed Jacksonville's example and held campaigns. Now, however, that the circuit has been completed, he feels that it is time to present the legal aspects of the case.

Mr. Robinson states that lotteries and gift campaigns are expressly forbidden by the state constitution. When it was suggested to him that the plan was operated annually in East St. Louis without protest from authorities, he said that the river city was generally considered a wide open town and that such enterprises were regarded with tolerance by the city and county government in that locality.

Secretary Welch said last night that he could make no statement with reference to the gift campaign until after a meeting of the committee in charge of the matter, which will be held some time Wednesday.

Mrs. Trumbull Smirl and daughter, Doris, of Girard, are visiting relatives here for a few days.

## BLUFFS RESIDENT TO BE BURIED TODAY

**Funeral of Late J. C. Lewis to be Held This Morning—Deceased Was Prominent Business Man of Bluffs.**

Bluffs, Ill., Sept. 3.—J. C. Lewis, prominent business man of Bluffs, died at his home here Sunday morning at 8 o'clock after an illness of three weeks.

The deceased leaves his widow and one daughter, Mrs. E. L. Kendall and a granddaughter, Miss Dorothy Griswold.

Funeral services have been announced for 10 o'clock Tuesday morning at the family residence. Rev. E. J. Rees, pastor of the Methodist Protestant church will officiate.

After the services here the body will be taken to Pittsfield where the Bluffs Lodge, Independent Order of Odd Fellows will have charge of the burial services.

**Burgoo Soup, Christian Church Woodson, Sept. 4.**

**PIGS BRING GOOD PRICE**

## The Tears of Socrates

It is said that Socrates, one of the greatest teachers of all time, wept but once.

At the age of 80 he took up the study of music. Finding that he was too old to grasp it, he wept—not for himself, but because so many of the youth of Athens were passing through the only stage where they could learn music properly and were not being taught.

## WOMAN'S PHYSICAL BEAUTY WINS INSTANT ADMIRATION

Beauty is sometimes a gift, it more often an acquirement. Any physician will tell you that you can have a clearer complexion, better figures, rosier cheeks, and more of the sparkle of girlhood in your eyes, if you do but guard the condition of your digestive organs. Liver, bowels and blood—if you correct the little defects in your appearance that are so often tickly and easily remedied.

Look Your Best. Build yourself up. Take a good tonic, as your doctor would advise. Dr. Thacher's prescription is being used in countless numbers of cases here to round out the beautiful lines of the figure with firm, solid flesh. This nourishing vegetable tonic has proved to be excellent for clearing up the

skin by improving digestion, waking up the sluggish liver and sending purer, healthier blood coursing through rosy cheeks. Increases nerve force, vitality and "pep" and makes you feel like meeting people with a smile. Not only will you feel lots better but your mirror will reflect that more beautiful person within you—your better self.

Try This Tonight. Take a delicious table-spoonful of this nourishing vegetable tonic after the next few meals. Keep this up a few days, your money will be returned promptly by your own druggist unless you really experience a marked change in the way you eat, sleep, look and feel. Just ask him what Dr. Thacher's Liver and Blood Syrup has already done for countless numbers of people you know.

# LATEST NEWS OF THE SPORTING WORLD

## YANKEES LOSE TO ARENZVILLE

Although Towers pitched good ball for the Yankees Sunday afternoon, in the game at Arenzville Sunday afternoon the Yankees were defeated by the close score of 6 to 5. At the beginning of the last half of the ninth frame the score stood 5 to 4 in favor of the Yankees. With two men on and two out Mackey hit a roller to Towers who overthrew first base, allowing both of the Arenzville men to score.

Pete Burrus, the Arenzville twirler, was in excellent form, striking out 8 men and allowing only 3 clean hits. Towers allowed 9 hits but was more or less handicapped at times by poor support.

Next Sunday the Yanks will play the Naples Independents at Naples in an effort to even up the score in a five game series, the Naples team having won two of the previous games while the Yankees have been returned winners in one game. The score:

Yankees	A.B.	R.	H.	O.	A.	E.
Sellers	5	0	0	3	0	1
Goodwill	4	0	0	0	0	1

Winning pitcher, Johnson. Losing pitcher, Gillenwater. Umpires Rowland, Nallin and Owens. Time 2:15.

## MURRAYVILLE WINS TWO FROM THE INDEES

With Fryman Pitching in Both Contests They Win Them by Good Margin—Alsey Boy Whiffs 18 Men in Sunday Game

In the Labor Day game at South Side park Monday afternoon the Murrayville team won from the Indees by a score of 5 to 5, with plenty of errors on both sides and at other times some very brilliant playing by players on both teams. Boyd, pitching for Jacksonville did some very effective work striking out eight men and equalling Fryman's record for this game, he also whiffing that number of batters. It was announced in advance that Kitter would pitch for Murrayville but when the game was called on the mound and considering that he went the full route for Murrayville Sunday, he put up a wonderful game.

Murrayville started off with a brace of scores and this record stood for several innings before Jacksonville was able to score. At one time the Indees were within one score of the visitors but were unable to overtake them.

Several errors by both teams came at costly times and were responsible for several of the runs. Ruble and DeFries were the main offenders of the locals while Stocker for Murrayville was charged with four bobbles. The infield was dry but very rough and grounders between second and third were very difficult to handle, and added to this several of the players made some very wild pegs.

Tom Doyle who was knocked unconscious in Sunday's game by a foul tip was still too much bruised up to officiate in the Monday game, and the same umpires who finished the Sunday's game, Kent and Kennedy officiated with very fair satisfaction, only one play being very strongly disputed. With two out Ruble made a steal for home on Fryman's windup. Montgomery reached high to get the throw and Ruble slid between his feet at a time when it looked to all spectators that the catcher still had his hands above his head for the catch, nevertheless Ruble was called out.

The score:

Murrayville . . . AB R H PO A E

Totals . . . 32 5 6 27 10 7

Two base hits, Montgomery, French, Stocker, Jones (2), Boyd, Baujan. Base on balls, off Fryman 2; off Boyd 2. Struck out, by Fryman 8; Boyd 8. Double plays, DeFries to Kohloff to Clark. Left on bases, Murrayville 10; Indees 5. Hit by pitcher, by Boyd (Stocker). Umpires, Kent and Kennedy. Time 2:15.

Sunday's Game

In Sunday's game Fryman was in fine fettle, striking out a total of 18 men, seven strikeouts coming in a row. After the first two innings Fanning also pitched wonderful ball and considering the condition of the field received fine support.

Sunday's score follows:

Murrayville . . . A.B. R. H. O. A. E.

O'Reilly, rf . . . 5 1 2 0 0 0

Baujan, ss . . . 5 3 2 1 0 1

INDIANS TAKE BOTH GAMES FROM BROWNS

Triple Play by Browns Featured First Game Which Also Marked Uhle's Twenty-fourth Victory of the Season

CLEVELAND, O., Sept. 3.—Cleveland defeated St. Louis in both games here today winning the morning game 4 to 2 and the afternoon game, 5 to 2. A triple play by the Browns featured the first which marked Uhle's twenty-fourth victory of the season. In the second Speaker hit a home run with two on bases.

#### RED SOX BREAK EVEN WITH WASHINGTON

BOSTON, Sept. 3.—Boston de-  
feated Washington 5 to 4 in the  
opening game of their double  
header here today but lost the  
second game 7 to 3. With two  
runs scored by Boston in the  
ninth inning of the first game and  
two men on bases with none out,  
Walter Johnson relieved Zach-  
ary but Shanks drove a single  
thru the box which scored the  
winning run. Johnson's relief  
start made his first big league  
start in the second game. He  
was in difficulty in the sixth  
but Russell relieved him and no  
Boston batter reached first there-  
after.

Scores: First Game  
Washington 210 301 000—7 13 2  
Boston 000 102 000—3 6 1  
Marberry, Russell and Ruel;  
Ehmke, Howe, Murray and Pic-  
nich.

#### KANSAS CITY MAN WINS MOTORCYCLE TITLE

KANSAS CITY, Mo., Sept. 3.—  
J. O. Branson of Kansas City won  
the National 100 mile motorcycle  
racing championship at the  
speedway here today, negotiating  
that distance in 60 minutes, 11  
seconds, at an average speed of  
99.7 miles an hour.

Ralph Hepburn of Los Ange-  
les was second and John Kreidler  
of Santa Ana, California, third.  
The race was exceedingly close  
only two seconds separating each  
of three leaders.  
Hepburn's time was 60 minutes  
13 seconds and Kreidler's was 60  
minutes, 15 seconds.

Throughout the whole race the  
leaders were close together only  
a few yards separating them at  
any time.

ALEXANDER NOTES.  
Miss Catherine Kaiser was a  
Jacksonville visitor yesterday.  
William Colwell is improving  
after an extended illness.  
Paul Saylor has gone to Quincy  
to attend school.

Francis Kaiser spent the day in  
New Berlin today.  
Carl Albert, Louisville and Fran-  
ces Eck of Springfield were vis-  
itors with relatives in Alexander  
yesterday.

Work shoes \$1.98, dress  
shoes \$4.85. Hopper's

#### AMERICA KEEPS DAVIS TENNIS CUP

(By the Associated Press)—The  
Davis cup, historic emblem of  
international tennis supremacy is  
safe in Uncle Sam's custody for  
another year. Putting to rout  
the opposition that had proved  
so startlingly formidable in the  
first two days of play, America  
swept to victory this afternoon  
over the Australians in the final  
two singles contest and captured  
the series by a margin of four  
matches to one.

Displaying a marked reversal  
of the form he showed in going  
down to defeat before James O.  
Anderson last Friday, William M.  
Johnson clinched the trophy for  
the United States when he  
smothered John B. Hawkes in  
the opening match 6-0, 6-2, 6-1,  
clean sweep for the day when  
he conquered Anderson, the Aus-  
tralian captain 6-2, 6-3, 1-6, 7-5.  
In a match that failed to come  
up to the expectations held out  
for this struggle between the  
"aces" of the opposing forces.  
The crushing character of Amer-  
ica's closing victories came as a  
distinct anti-climax to the greet-  
ing spectacular play in the last  
two days of the challenge round.

The gallery of 13,000 that  
taxed the capacity of the big  
West Side club's stadium had  
come expecting a last desperate  
stand on the part of the Austral-  
ians who had proved so unex-  
pectedly powerful in dividing the  
first two singles encounters and  
forcing the doubles matches Sat-  
urday to five terrific record-break-  
ing sets before bowing in defeat.

ATLANTIC CITY, N. J., Sept. 3.  
(By the Associated Press)—High  
good humor induced by a break-  
fast beefsteak a half inch thick-  
er than usual and smothered with  
two additional eggs, making the  
total number six, Luis Angel  
Firpo went thru a strenuous  
training session today as if it  
were play. All day long Luis  
was smiling and breaking out  
with rollicking roles of laugh-  
ter.

Luis left hooked the small  
punching bag to flatness yes-  
terday and broke another this  
morning. So he lightened the  
bag punching rounds in the after-  
noon limiting his work to a round  
of rope skipping, two rounds of  
shadow boxing and six rounds of  
sparring. There was a crowd of  
about 1,000 in the grandstand to  
watch him work.

He sparred two rounds with  
Joe McCann, one each with Frank  
Kobeke and Jeff Clarke, the Jop-  
lin Ghost, and two with Natio  
Pera. The entire workout was  
an exhibition of speed and defens-  
ive work. Luis Angel did not  
punch hard today contenting him-  
self with a few cuffs on his help-  
ers' ears.

McCann hit him once with a  
solid right on the point of the  
jaw, but that didn't seem to hurt  
and Kobeke hooked a left to his  
chin. That didn't hurt either.

Krank Kobeke 'who has been  
drawing the Argentine's heaviest  
blows were a head protector to-  
day for the first time, but he  
had two red ears when he finish-  
ed his round of sparring.

**DEMPSEY PERFECTING**  
**DEFENSE FOR FIRPO**

SARATOGA SPRINGS, N. Y.,  
Sept. 3. (By the Associated  
Press)—Perfecting a defense for  
the style of battle he expects from  
Luis Angel Firpo seemed to be  
the chief object of Jack Dempsey's  
training at his Saratoga  
Lake camp today. The cham-  
pion went thru his paces before  
a holiday crowd of nearly 2,000  
while motion picture cameras  
recorded every move he made.

Dempsey boxed two rounds each  
with George Godfrey, Farmer  
Lodge and Jack McAuliffe in ad-  
dition to going thru his other  
stunts for the benefit of the cam-  
eras. Godfrey was under in-  
structions to hit with the right  
hand while at close quarters  
much after the fashion of Firpo  
and the big negro never stopped  
trying to club the champion on  
the back of the neck with rab-  
bit punches. Dempsey however,  
ducked under the blow or blocked  
it with his left. While facing  
Lodge, Dempsey permitted the  
235 pounder to pull and maul him  
around the right. The champion  
tied Lodge's big arms in the  
clinch, digging left hooks into  
his body until he grunted every-  
time Dempsey started a punch at  
him.

The champion's two rounds  
against McAuliffe were fast as  
the big Detroit heavyweight kept  
Dempsey stepping to avoid his  
left jabs.

Because Jack Kearns, managed  
of the champion, considers that  
Dempsey has reached a satisfac-  
tory stage in his training, with  
the champion's battle still 10  
days away, the title holder plans  
to take a day of rest tomorrow.  
This undoubtedly will be his last  
layoff before the finish of the  
training grind on September 12.

**WILL GO TO CHICAGO**  
Mrs. Julia Massey and daugh-  
ter Mrs. McFarland leave to-  
night for Chicago. Mrs. McFar-  
land has been spending the sum-  
mer with her mother, and Mrs.  
Massey expects to spend the win-  
ter in Chicago. Her residence at  
702 West North Street has been  
rented for the winter by Walter  
Andre.

Miss Rose Anderson of Spring-  
field has arrived in the city to  
enter Brown's Business college.

#### CRUSADE TO REQUIRE LICENSE TO BOB HAIR

**Master Barbers Start Crusade on**  
**Beauty Parlors—Want Old**  
**Barber's License Examining**  
**Board Revived.**

SPRINGFIELD, Ill., Sept. 3.—  
(By the A. P.)—A crusade to en-  
force recent legislation requiring  
a barber's license for hair bob-  
bing in beauty parlors and hair-  
dressing establishments, will be  
opened some time this week when  
the officers and the executive  
committee of the Illinois Master  
Barbers' association meet with  
Governor Len Small to present  
a new plan for barber inspections  
and examinations.

W. R. Tipps, president of the  
association said that the plan calls  
for an examining board composed  
of three full time members, one  
from Chicago and two from down  
state. The men, he said will be  
employed on a full time basis, go-  
ing through the state conducting  
examinations and inspections.

At present there are twelve ex-  
amining districts where examina-  
tions are held quarterly.

The campaign is aimed at  
those who infringe upon the  
barbers by bobbing hair in con-  
nection with their beauty par-  
lors," said Mr. Tipps. "We bar-  
bers are licensed and bobbing  
hair is no different than cutting  
it. We have been paying for a  
license 16 years and feel it is  
unfair to us to have others en-  
gage in this trade without tak-  
ing out a license. Several estab-  
lishments I know of advertise  
"hair bobbing free." "If one gets  
a shampoo or a massage, then the  
bobbing is free, but in most cases  
the bobbing done alone is not. I  
don't think that is fair. It is just  
a way of getting around the new  
legislation.

"Massaging and shampooing  
are not affected by the campaign.  
Our efforts are confined to hair  
bobbing alone."

The plan to be presented would  
re-instate the old barbers' board  
eliminated during Governor  
Dunn's administration. Appoint-  
ments are made by A. M. Shel-  
ton, director of the state depart-  
ment of registration and educa-  
tion.

The Chicago Barbers associa-  
tion contemplates sending rep-  
resentatives here to take part in  
the conference with the governor,  
Mr. Tipps said. Whether Gov-  
ernor Small will approve of the  
plan or not still remains prob-  
lematical. The plan, said Mr.  
Tipps, means that the recent  
legislation will be more strictly  
enforced.

**TWINS SERVED AS**  
**ARMY NURSES**

Springfield, Sept. 3.—Charles  
of the Service Recognition board  
thought they had discovered a  
case of attempted duplication of  
claims until further investigation  
disclosed that the two applica-  
tions were filed by twin sisters,  
Maude Viola Lundahl and Minnie  
Viola Lundahl, both of Moline.

Both girls enlisted October 26,  
1915 at Moline in the Army Nurse  
corps. Both were on duty at Ft.  
McHenry, Md. and their service  
records were identical, except  
that one took six days more leave  
of absence than the other at  
Christmas time, 1919. Both had  
13 days leave from June 27, 1919  
to July 9, 1919.

Both were discharged August  
29, 1919 and their claims were  
both approved for \$154. When  
additional funds were available  
their checks will be delivered in  
the same mail.

Mr. and Mrs. L. L. Mullins of  
Chicago are here for a visit with  
Mrs. Mullins' mother, Mrs. A. F.  
Kittner, and other relatives. Mrs.  
C. E. Moffett, a sister of Mrs.  
Kittner, has returned to her home  
in the west after a visit here.

Miss Ruth Brady, who has  
spent the summer here with her  
parents, Mr. and Mrs. George W.  
Brady on Grove street, returned  
yesterday to Newark, N. J., to re-  
sume her position as instructor  
of the deaf in the public schools  
there.

**EXECUTOR'S NOTICE.**  
Estate of John David McLain,  
deceased.

The undersigned having been  
appointed Executrix of the estate  
of John David McLain late of the  
County of Morgan and State of  
Illinois, hereby gives notice that  
she will appear before the County  
Court of Morgan County, at the  
Court House in Jacksonville, at  
the November term, on the first  
Monday in November, next, at  
which time all persons having  
claims against said estate are  
notified and requested to attend  
for the purpose of having the  
same adjusted.

All persons indebted to said es-  
tate are requested to make im-  
mediate payment to the under-  
signed.

Dated this 20th day of August  
A. D. 1923. MARY McLAIN,  
Executrix.

Hugh P. Green, Attorney.

**ADMINISTRATRIX'S NOTICE**  
Estate of Samuel Leslie Miller  
deceased. The undersigned, hav-  
ing been appointed administra-  
trix of the estate of Samuel Les-  
lie Miller late of the County of  
Morgan and State of Illinois,  
hereby gives notice that she will  
appear before the County Court  
of Morgan County, at the Court  
House in Jacksonville, at the No-  
vember term, on the first Mon-  
day in November, next, at which  
time all persons having claims  
against said estate are notified  
and requested to attend for the  
purpose of having the same ad-  
justed.

All persons indebted to said es-  
tate are requested to make im-  
mediate payment to the under-  
signed.

Dated this 25th day of August  
A. D. 1923. Gail Miller,  
Administratrix.

Hugh P. Green, Atty.

## Entirely Different Fall Modes in Footwear for Women Ready

The art of smart dressing is the art of adopting a style BEFORE it becomes popularized.

A glimpse into our windows and a visit to our store, right now, would be instructive to the women who keep ahead in style matters.

Always at your service, this store is prepared to serve you in a faithful manner.

## SCHOOL FOR BLIND OPENS TERM SEPT. 10

First Students Will Arrive Monday, the 17th—New Law Expected to Bring Increased Enrollment — Managing Officer Announces Opening.

The first students will be received at the Illinois School for the Blind Sept. 10, Monday, when the school will be officially opened for the coming term. The first classes will be held on Tuesday morning, Sept. 11.

The managing officer, Robert W. Woolston, has already sent out announcements of the opening date to all pupils of the school. The train carrying Chicago students will arrive here Monday evening, Sept. 10, at 7:20 o'clock. It will consist of two special coaches for the students, as well as the regular C. & A. passenger train.

In accordance with a new state law, requiring all blind children between the ages of eight and eighteen years to attend school, a decided increase is expected in the enrollment here.

Considerable improvement in buildings and grounds has been made during the summer season. The official announcement of the opening of the school follows:

The Illinois School for the Blind will be reopened to receive pupils on Monday, Sept. 10th. All pupils should arrive on that date in order to be ready for the classroom work on Tuesday, Sept. 11th.

Officers from the school will meet trains in Jacksonville on that date.

No pupil will be received in the school before Monday, Sept. 10th as the officers and teachers in charge will not arrive until that date.

The state law recently enacted requires all blind children of Illinois (sound of mind) between the ages of eight and eighteen years to attend school. If, for any reason a blind child cannot attend school the case should be reported to the county judge.

Pupils will be permitted to spend the two weeks Christmas vacation in their homes. The school year will end during the second week in June and all pupils must arrange to return to their homes.

The train carrying pupils from Chicago will leave the Union Station at 12:00 o'clock noon, Monday, Sept. 10th, via the Chicago & Alton Railroad. It will carry two special cars for the convenience of blind pupils. These cars will be in charge of officers from this school.

Respectfully yours,  
Robert W. Woolston,  
Managing Officer.

## MRS. SARAH CRANE TO BE BURIED AT WARSAW

Passed Away at Peoria Where She Long Been Resident — W. E. Crane a Son of Deceased.

The death of Mrs. Sarah Crane a long time resident of Peoria, mother of W. E. Crane, well known in Jacksonville, occurred at her residence, 120 North Elmwood Avenue, Peoria, Saturday morning. The deceased who was 87 years of age, had spent the past 24 years in Peoria.

A Peoria paper made the following reference to the death of Mrs. Crane: "Mrs. Sarah Crane aged 87 years, whose death occurred at her home here Saturday morning from old age, was the widow of Calvin S. Crane and was well known throughout the city."

"She was born near Belfast Ireland, in 1836, the daughter of Mr. and Mrs. John Chambers, and the family came to America when she was a baby. She married Calvin S. Crane in Greenville, Illinois, in 1861. He died in 1879. Mrs. Crane had been a prominent member of the First Methodist church ever since her arrival in Peoria. While advanced in years she kept up with current affairs. Her death is mourned by a wide circle of friends."

"She is survived by three sons, Frank W., Charles C. and Frederick, all of Peoria; Wilbur E. of New York City; two daughters, Mrs. J. C. Aigley of Farmington, Mrs. F. C. Stanlee of this city and six grandchildren."

"Funeral services will be held from the residence at 3 o'clock Monday afternoon, Dr. W. E. Shaw officiating. The body will be taken to Warsaw, Ill., Tuesday morning and will be buried in the family lot in the cemetery near that city."

## ATTENTION AMERICAN LEGION Meeting Tonight.

Reaugh Jennings, Adj.

MISS ARBUCKLE HERE  
Miss Genevieve Arbuckle is here from New York City and will spend a few days at the home of her brother, Sylvester Arbuckle on Anna street. Miss Arbuckle, who is a former resident of Jacksonville, has for some time been the proprietor of a hotel in the big eastern city. Her brother, Leslie Arbuckle, came over Sunday from Springfield to spend the day at the Arbuckle home in this city.

MAY LOCATE HERE  
Rev. and Mrs. Harold VanDyke of Ashley, Ill., arrived here yesterday to investigate possibilities of residing here during the coming winter. Rev. VanDyke was a student at Illinois college previously to the war, and has since continued his studies at McKendree college. If he finds conditions favorable, he expects to enter Illinois college again for his senior year.

## DELIVERED LABOR DISCOURSE SUNDAY

Rev. W. E. Spoonts Used Sampson as Theme in Discussing Labor Issue — Death of Either Labor or Capital Means Death of Both, He Says.

Rev. W. E. Spoonts, who returned to his pulpit at Northminster church Sunday after an extended vacation, delivered a sermon in keeping with the Labor Day holiday. He used as his theme the story of Sampson, who in his blindness pulled down the Philistine temple. He compared Sampson to modern labor, which has its hands upon the two pillars of society, the natural principles upon which civilization is founded, and the general submission to divine authority.

Labor, like Sampson, has been dreadfully wronged. It has been denied the right of moral development, of education, of fair wages, of healthful and safe working conditions. It has risen against these wrongs and has in its blind rage laid hands upon some fundamental principles of society.

These natural principles include the right of private property, the right to control property, the relations of master and servant, etc. Those who furnish the money and the brains to promote industry should control it; yet they should accord to labor a fair share and right conditions. It is doubtful whether labor unions will ever bring about a right relation between capital and labor, as to many a worker his union has become his church. The death of either labor or capital means the death of both.

Only under the divine influence of the Gospel of Christ can the two be brought to live in harmony. Let capital accord to labor Christian treatment and fair dealing, and let labor accord to capital an honest effort and the loyalty due.

## PAROCHIAL SCHOOLS TO OPEN WEDNESDAY

Improvements Made and Teachers Added to Catholic Schools — Care for More Pupils—Routt College to Begin Term on Sept. 17th

The Parochial schools of the city will open for the term on Wednesday morning at 9 o'clock. It was announced yesterday by the Very Rev. Dean Formaz. A decided increase is expected in the enrollment, which will probably reach 350 pupils. To meet this contingency, two additional teachers have been secured from Springfield. Sister Aquin will have charge of the third grade and Sister Mercedes will teach the sixth grade.

The school building on East Court street has been improved and new equipment has been added to care for the increased number of students. The dormitory of Routt college has also been enlarged to care for 60 additional students.

The college will open for registration on Monday, Sept. 17. The first classes will be held Tuesday morning, Sept. 18. There will be no change in the faculty from that of last year. It is yet impossible to say what the enrollment will be, but an increase is expected, and the improvements in the dormitory have been made with this in mind.

## MRS. IDA DICKINSON ENDS VISIT IN CITY

Mrs. Ida Dickinson has completed an extended visit here at the home of her son, Mr. and Mrs. Daniel Dickinson, and has gone to Chicago for a visit at the home of Henry Lovell, another son. From that city she will return to her home in Birmingham, N. Y. Mrs. Dickinson was accompanied to Peoria Sunday by Mr. and Mrs. Dickinson and Mrs. G. W. Randle, the trip being made in the Dickinson car. There she was met by Mr. Lovell and the trip to Chicago was made in the latter's car.

## RETURN TO DUTIES AFTER VACATIONS HERE

Miss Nora Mann, who has spent the past month at her home, 327 South Diamond street, has returned to her duties in Washington, D. C. She is employed as statistical clerk in the roads division of the department of agriculture.

Miss Ruby Mann of 327 South Diamond street, is to teach English in the community high school at Hartsburg, Ill., the coming term and left yesterday for that place.

## SPENT SUMMER IN NEW ENGLAND

Misses Edna and Maude Hackett and John Hackett have returned to Jacksonville after spending a number of weeks in the east. The greater part of the time they were at a cottage at Lake Winneposaukee, N. H., in the White Mountains.

They were accompanied home by Miss Alice P. Hackett, of New York City, who is now a guest at the Hackett home on West State street.

HERE FROM WEST  
Mr. and Mrs. Henry Riggs of California, who have been visiting relatives at Decatur, have returned to the city and are guests of Mrs. John Allen on North Church street.

CHICAGO VISITORS  
Mr. and Mrs. M. C. Mullen of Chicago spent the week-end in the city as guests of S. T. Nunes and family on North Main street.

## LABOR DAY PICNIC DREW GREAT CROWD

Event Under Auspices of Church of Our Savior Aid Society and Knights of Columbus Very Successful.

Thousands of car loads of enthusiastic, jovial and hungry people attended the big annual Knights of Columbus picnic held at the Jacksonville State Hospital grounds Monday afternoon and night. The picnic was officially opened at 1:30 o'clock with music by the new union band, which played excellently. A crowd estimated at near five thousand heard Mayor Crabtree make a short address of welcome on behalf of the Knights of Columbus.

The afternoon was featured with a number of excellent specialties and musical numbers that provided entertainment for the huge crowd.

The attendance was over the highest estimate predicted before the big event was held, the final estimate being that nearly seven thousand persons visited the picnic during the afternoon and night. Of these nearly five thousand were served fried chicken and others enjoyed the delicious soup served in another part of the grounds.

The competition for the best doll carriage produced a parade without about twenty applicants for the prizes. The doll carriages and their proud owners made a lovely sight as they marched between the crowds of applauding pickers. Little Mary Ellen Carson won first prize in this event and Mary Horton second. All the rest of the competitors were given prizes also, a box of candy being donated to each.

## Slow Auto Race

In the slow race for autos Leonard Robinson won first covering the prescribed distance in two minutes and twenty-five seconds. He drove a Buick six. Carl Hook ran a close second doing the distance in two minutes and twenty-three seconds. Another interesting feature was the prize for the car that came the longest distance to attend the big picnic. This prize went to K. H. Beiber, who drove all the distance from Davenport, Iowa, a distance of one hundred and seventy-five miles.

The program during the afternoon included some excellent vocal selections by Joseph Becker and Terrence Brennan. The new union band played from 1:30 o'clock until 5 o'clock. Dancing was the big feature of the evening's entertainment, and the big platform was largely patronized. The Wandering Gypsies, a Springfield organization made a fine impression on their auditors with their performance during the evening, which featured the Harmony Four, an excellent quartet. The vaudeville troupe of the State Hospital also performed very creditably.

Joe Mallen was general chairman in charge of the affair and was one of the busiest figures in the world all yesterday afternoon and evening. The whole affair went off smoothly and efficiently with the able cooperation of the scores of assistants, under the direction of subcommittees. These include J. J. Kelly, finance; Carl Hamilton, athletics; J. J. Wall, refreshments; John Foxarty, dance; Patrick Crotty, soup department; and Tom Duffner, advertising.
